**Sangria Restaurant

Hermosa Beach (Parking lot in rear, \$1 per hour)

Guest Speaker **Mattie Fein.**

Mattie is running against Pete Kesterson in the June Republican primary for U.S Congress, a seat that has been held by Jane Harmon for far too long!

In keeping with MBRWF bylaws to hear from all Republican candidates in primary elections, please join us to learn how Mattie would represent California's 36th Congressional District. There is no charge for the meeting. However, you are welcome to order any of the delicious items on Sangria's food and beverage menus.

**Please r.s.v.p. to Faye so we can give Sangria a headcount!

Lana Van Aggelen, Yvette Newnam and Rosalie Olson relax on a stunning black leather couch, donated by Julie Jennings just before the new owners (below) arrive with proper transportation.

**YARD SALE NETS
\$1800 FOR OUR BRAVE
WOUNDED TROOPS**

Four years running! And we keep coming up with more and more great stuff! This was a record \$\$\$! Of course there was the usual fabulous pre-sale party with Rosalie's famous deviled eggs and other delicacies. A big thank you to all who donated your time and "stuff"!!

At our February Fundraiser, we met **Pete Kesterson**, who is running against Mattie Fein in the June primary for US Congress, 36th District. MBRWF member **Lida Sandera** is holding a "Meet and Greet" evening

for Pete (see page 2). This event, along with our regular meeting were scheduled on the same evening. If you came to our February event, we suggest you come to meet Mattie on the 13th. If you did not attend our February event, you may prefer to meet Pete. There will be more opportunities to meet Pete if you wish to attend our regular meeting.

Welcome to New MBRWF Member Lisa Christensen!

Your Opportunity to Meet and Greet your Local Republican Candidate for Congress 2010

Pete Kesterson is a candidate for Congress in the 36th District of California (currently held by Jane Harman). Unlike many career politicians, Pete has spent his life like the people he will represent, working hard and struggling to build a number of successful businesses. He has honed his leadership skills in the South Bay fighting for local businesses and opposing new taxes.

“The time has come to end the stranglehold of career politicians whose quest for power clouds their ability to remember who they work for.” – Pete Kesterson

Meet Pete Kesterson, your local Republican Congressional candidate. Take an opportunity to ask Pete where he stands on issues that are important to you.
