Now that all the parties are over, the decorations are put away and we welcome at least on a National level the 112th Congress, it's time to get "back in the game!" Our club is part of a huge national body that soundly rejected the direction of the Obama administration's agenda over the past two years.

Here is what is coming up for our club:

First regular meeting-Tuesday, January 11th 7:00 p.m.

The venue is Sangria, but I will verify that in the next day. Please be sure to check your e-mail this week for verification!

Our speaker will be **Robert Valentine**. He will be running in the Republican primary in February against **Martha Flores Gibson**. This is the 28th CA Senate seat that went to the late **Jenny Oropeza**, in the November election. Bob has served as member of the Manhattan Beach Planning Commission. During Bob's tenure he worked on the planning and development of Manhattan Beach Village and the Manhattan Beach Mall.

Remember, we do not endorse either of these Republican candidates as a club, but we need to take every opportunity to hear from them.

We also expect Deputy Assistant **Steve Napalitano**, to Supervisor **Don Knabe** to join us to tell us what our **PROPERTY TAXES** are paying for!!

Membership renewals: *you will be receiving your renewal notice this week. We hope you will consider "re-upping" for this year! Our dues remain the same. We have lots of great stuff planned for 2011 so don't miss out. We would like to have renewals in by mid February, so we can get updated rosters to everyone. If you do not receive a renewal, it is because you joined in the last quarter of 2010. Your membership is good through Dec. 2011!*

February meeting-Tuesday, February 8th 7:00 p.m.

The venue is Sangria

Our speaker will be **Mattie Fein**. She will be telling us exactly how redistricting will work. Mattie ran against Congresswoman **Jane Harmon**, but she is not discouraged about CA politics.

I want to wish everyone all the best for 2011. Let's try to make this a year when Californians wake up to the reality of the failed policies that have changed our state from jewel to junk!
