Okay Ladies!

You had a chance to listen to Maya Buki from Meg Whitman for Governor at our last meeting. For those of you who were not there, Maya got some very tough questions. If you missed her opponent Steve Poisner at the Hermosa Beach House, you have another chance to meet HIM in person, not one of his reps.

I strongly suggest you take advantage of this FREE opportunity!

A MESSAGE FROM PRESIDENT MARTHA:

Greetings everyone! I am about to head out on yet another grand cross country adventure. This time we will be traveling through America's heartland, and then up through Maine and into the Maritime Provinces. We will be back in mid August. I don't have to tell you how important the June primary is. ★ If you haven't heard **Steve Poisner** in person, please attend the open house this Saturday. Some of you HAVE heard **Meg Whitman** in person, but if you haven't, and you have another opportunity in the next month, please take it. ★ Like-wise for the contested CA Senate seat, held by our beloved **Barbara Boxer**. In my 36 years in California, this is the election that can either save our state, OR finish the destruction that **Jerry Brown** began in the 1970's. If anyone is not aware, dear Jerry is the one who brought the unions to our state employees, AND ended the *part time* legislature that was in place. ★ You need to decide who can better defeat **Jane Harmon**, **Mattie Fein** or **Pete Kesterson**. Please go to more opportunities to hear their ideas as well. MBRWF member **Jan Fleming** is hosting a *Meet and Greet* with Mattie on Tuesday, May 11th. Please call her for more info: 310 372-1060. ★ For **FUN** we have our summer barbeque coming up. If you would like to host this event, please contact **Bernie** 310 545 8617. ★ Have a wonderful summer!
