## PRESIDENT'S MESSAGE

Greetings from your vacationing President. And I am not talking about Obama! I want to extend a big thank you to my board, *Rosalie Olson, Lana Van Aggelen, Bernie Hoffman, Faye Jackson, Annette Abram, Joanna Gallo-Marsteller and Lisa Marshall* for keeping things in good order while I was gone. A special thank you to Joanna for conducting a member survey, and to *Patti Garrity* for hosting the summer barbeque. We made a small profit on the barbeque after expenses and donations to candidates! Great job ladies!

Jack and I had a wonderful time in eastern Canada. Of course I chatted and asked questions of the locals wherever I went, and suffice it to say they are very worried about what is happening in our country. They are concerned especially about Obamacare ... on two levels. First the obvious ... they always know if they really need top tier healthcare they can find it here and they are willing to pay for it. (Ask Newfoundland Premier Danny Williams). The Canadian Healthcare system is rife with rationed care and lack of innovation. The second is what they view as an ominous cost that may break our economy. (Hello Greece!) Canadians know that we always been there to protect them if needed. That's one of the reasons they spend modestly on defense. I wish I could import these folks from north of the border for the election! Wait! Doesn't that happen from our southern border???

Please join in for a grand six weeks in doing what we can as a club and individually to get our candidates elected. September 21st ... Torrance Headquarters to get organized. We have all done campaigning, and there is always something you can contribute that will fit you skills, talents and preferences.

See you at the fair!

*President Martha*
